Clinical Laboratory Test Update

Herpes Simplex Virus Type 1 and/or 2 Antibodies, IgM by ELISA

Effective August 19, 2024, the Herpes Simplex Virus Type 1 and/or 2 Antibodies, IgM by ELISA test, which is sent to ARUP Laboratories, is currently unavailable to order.

There are no clinically available alternatives for testing at any referral lab site.

Please email LabMHSSendouts@uhealth.org for questions or alternatives related to HSV IgM.
