Approved Referral Laboratories

A. Purpose:

Referral laboratories are utilized for those tests which are not performed in UCH-Memorial Hospital Laboratory Services

B. Scope:

Primary reference and specialty laboratories, which provide the system's esoteric testing needs, are verified to be CLIA-approved and are approved by the Medical Director and the MH Medical Staff. Tests may be referred to laboratories not listed below if authorized by the Medical Director using a plan deviation form. For any specimen sent to a reference laboratory, Memorial Hospital Laboratory staff follows all requisition, collection and handling specifications of the reference laboratory.
