**PACIFIC PATHOLOGY
ASSOCIATES**

A Sonic Healthcare Anatomic Pathology Practice

Client Communication

To enhance efficiency and simplify the ordering process, we are adding a new web-based ordering system for supply requests.

Effective immediately, you can now place your supply orders directly through the Pacific Pathology Associates website by visiting www.pacificpathologyinc.com and selecting the "Order Supplies" option under the Clinicians tab or by clicking the below link.

[Order Supplies](#)

The screenshot shows the Pacific Pathology Associates website. At the top left, the URL 'pacificpathologyinc.com' is visible. The main header includes the company logo and name, 'PACIFIC PATHOLOGY ASSOCIATES'. A navigation menu is located at the top right, with 'Clinicians' selected. A dropdown menu is open under 'Clinicians', listing several options: 'Test Menu', 'Insurance Providers', 'Portal Login', 'ConnectDX', 'Order Supplies' (highlighted in yellow), 'Specimen Submission Instructions', and 'Client Communications'. The main content area features a large banner with the text 'Welcome to Pacific Pathology Associates' and 'The highest quality pathology services'. Below this, there is a button labeled 'About Us'.

Orders can still be placed via emailing the updated form to PPA_supplyorders@sonichealthcareusa.com.

Standard delivery will be within 2-3 business days from the day of placement via FedEx. If there is a critical need, please contact your sales rep to set up STAT orders.
