Re: **New Test Offering – Cytomegalovirus (CMV) PCR Neonate Screening for Congenital CMV**

---

Effective July 25, 2023 the Clinical Microbiology Laboratory at the Hospital of the University of Pennsylvania will offer CMV PCR, Neonate Screening. This test is intended for the detection of CMV from urine or saliva samples for neonates  $\leq 21$  days of age. Details related to proper collection and additional test information posted in the [Lab Test Service Guide](#).
