Re: **Special Coagulation Testing Laboratory Test Menu Adjustment**

Due to a temporary technical challenge, the following assays will be sent to reference lab (ARUP laboratories) until further notice.

Orders placed in PennChart will be converted automatically by the laboratory corresponding ARUP orderable. No changes in order entry are required by our personnel.

Von Willebrand Antigen and Activity
Protein C Antigen (Immunologic)
Protein S Free Antigen (Immunologic)
Dabigatran, Edoxaban, Fondaparinux, Rivaroxaban Drug Levels
High Molecular Weight Kininogen
PreKallikrein
AdamTS13 Inhibitor
