

Central Illinois Reference Laboratory Non-CHMH Supply Order Form

Date: _____
 Your Name: _____
 Ordering Facility: _____
 Please use Clinic/Facility name and avoid using provider name(s) unless it is the name of the facility.
 Street Address: _____
 City: _____
 Contact Phone: _____

Fax this Request To:
309-672-4164

Items supplied are intended to be used solely for specimens sent to Carle Health Methodist Reference Laboratory. The number of items provided will be monitored to ensure they correlate with the number of tests sent to the lab for processing. Supplies distributed are sometimes limited to stock on hand and may be reduced or substituted.

Please note: Supply request may take 5-7 business days to be fulfilled. Fax this request to 309-672-4164. For supply questions, please contact Customer Service at 309-672-4911.

Supplies not on this order form are not provided by Methodist Reference Lab unless specific to Referral Laboratory requirements.
