Important Test Announcement

SOMATIC DISEASE/GERMLINE COMPARATOR EXOME UPDATES

Test Code: SDGC

Live Date: 1/15/2025

Following provider feedback, effective January 15, 2025, Somatic Disease/Germline Comparator Exome (**SDGC**) testing will no longer report out medically actionable variants unrelated to the patient's medical condition or carrier status. In turn, there will be no longer be a consent required for **SDGC** testing. For the list of germline and somatic genes reviewed during interpretation, please see the Laboratory Services Test Directory.

If you have any additional questions about **SDGC**, please refer to the Laboratory Test Directory or call Client Services at 614-722-5477.
